At the annual general meeting of the Company held on June 16, 2020, general mandates were granted to the Directors to exercise the powers of the Company to repurchase Shares and to issue new Shares. Ordinary resolutions will be proposed at the 2021 AGM to approve the granting of new general mandates to the Directors:

The Repurchase Mandate and the Issuance Mandate will continue in force until the conclusion of the next annual general meeting of the Company held after the 2021 AGM or any earlier date as referred to in the proposed ordinary resolutions contained in items 6 and 7 of the notice of the 2021 AGM as set out on pages 13 to 16 of this circular.

In accordance with the requirements of the Listing Rules, the Company is required to send to the Shareholders an explanatory statement containing all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the granting of the Repurchase Mandate. The Company considers that the retiring independent non-executive Directors are independent according to the independence guidelines set out in the Listing Rules and will continue to bring valuable business experience, knowledge and professionalism to the Board for its efficient and effective functioning and diversity. 6. GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular: Appendix I — Explanatory Statement on the Repurchase Mandate; and Appendix II — Details of the Retiring Directors Proposed to be Re-elected at the 2021 AGM.

Yours faithfully,

By order of the Board

PW Medtech Group Limited

普华和顺集团公司

Yue'e Zhang

Chairman & Chief Executive Officer

The following is an explanatory statement required by the Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the 2021 AGM in relation to the granting of the Repurchase Mandate.

1. REASONS FOR REPURCHASES OF SHARES

The Directors believe that the granting of the Repurchase Mandate is in the interests of the Company and the Shareholders.

Repurchases of Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking the granting of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,569,246,098 Shares.

Subject to the passing of the ordinary resolution set out in item 6 of the notice of the 2021 AGM in respect of the granting of the Repurchase Mandate and on the basis that the issued ordinary share capital of the Company remains unchanged as at the date of the 2021 AGM, i.e. being 1,569,246,098 Shares, the Directors would be authorized under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, a maximum of 156,924,609 Shares, representing 10% of the total number of Shares in issue as at the date of the 2021 AGM.

3. FUNDING OF REPURCHASES

Repurchases of Shares will be funded from the Company's internal resources, which shall be funds legally available for such purposes in accordance with the Company's Memorandum and Articles of Association, the Listing Rules, the laws of the Cayman Islands and/or any other applicable laws, as the case may be.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended December 31, 2020) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such an extent as would, in the

circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time befitting the Company.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, Cross Mark Limited (wholly owned by Ms. Yufeng Liu) and Mr. Marc Chan (through Right Faith Holdings Limited and Amplewood Resources Limited, which are wholly owned by him) were interested in 575,061,863 and 408,385,962 issued Shares respectively, representing approximately 36.65% and 26.02% of the total issued share capital of the Company respectively. On the basis that (i) the total issued share capital of the Company (being 1,569,246,098 Shares) remains unchanged as at the date of the 2021 AGM, and (ii) the shareholding interests of Cross Mark Limited (being 575,061,863 issued Shares) and Mr. Marc Chan (being 408,385,962 issued Shares) in the Company remain unchanged immediately after the full exercise of the Repurchase Mandate, in the event that the Directors exercise in full the power to repurchase Shares in accordance with the terms of the relevant ordinary resolution to be proposed at the 2021 AGM (presuming that apart from the decrease of the issued share capital arising from the said full exercise of the Repurchase Mandate, there is no other change in the Company's issued share capital), the shareholding interests of Cross Mark Limited and Mr. Marc Chan in the issued Shares would be increased to approximately 40.72% and 28.92% of the total issued share capital of the Company respectively. In the opinion of the Directors, the abovementioned increase of shareholdings may give rise to an obligation for Cross Mark Limited to make a mandatory offer under Rule 26 of the Takeovers Code.

Save as disclosed above, the Directors are not aware of any Shareholder or group of Shareholders acting in concert, who may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a consequence of any purchases pursuant to the Repurchase Mandate.

In addition, the Listing Rules prohibit a company from making repurchase of its shares on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the company's issued share capital would be in public hands. The Directors do not propose to repurchase Shares, which would result in less than the prescribed minimum percentage of Shares in public hands.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

7. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which the Shares have traded on the Stock Exchange during each of the following months were as follows:

Month	Highest HK\$	Lowest HK\$
2020		
April	1.220	0.850
May	1.420	1.100
June	1.760	1.240

February	0.750	0.480
March	0.680	0.580

8. REPURCHASES OF SHARES MADE BY THE COMPANY

No repurchase of Shares has been made by the Company during the previous six months (whether on the Stock Exchange or otherwise).
